COUNTY SUPERVISORS

Interesting Road Question Raised Affecting Farallone District

The Board of Supervisors met in regular session Monday, May 14th, at 10 a. m., there being present Dr. C. V. Thompson, presiding, Thomas L. Hickey, Wm. H. Brown, John John MacBain and Jos. M. Francis.

Attorney Gilbert D. Farrell of this city appeared before the board again in the matter of securing relief for certain truck owners of the county in hauling their merchandise over the mountain roads from the coastside. Farrell had asked at the previous meeting that the truck men be allowed the use of the old San Mateo road near the Spring Valley lakes that had been recently closed by Supervisor Brown. Supervisor Brown being absent on that day action in granting the request was laid over until this week's meeting.

The supervisor from the second district stated that owing to present conditions he would not be willing to have the road opened unless under the most absolute necessity. Further, he stated that he did not believe the United States military authorities would permit the road being opened at this time.

No official action was taken by the board in the matter, but Attorney Farrell was given to understand that there would be no objections to the truck owners using the old Half-moon Bay mountain road provided they kept within reason in the weight of loads they carried.

Supervisor Brown reported that he had provided transportation for two indigents living in his district to the Saints' Home at Lamoine ,Iowa, and he asked the board to ratify his action. This was done, on motion of MacBain, seconded by Francis.

State aid in the sum of $6.25 a month, was granted in the case of a half orphan living in San Mateo, on motion of Brown seconded by Francis.

Supervisor Brown reported that the Methodist church of San Mateo had offered him the use of their edifice and would furnish clerks to assist in the registration of the county eligibles under the select draft bill.

The following applications for liquor licenses were given their first hearing and will be acted upon a month hence:

Fourth Township—Lena Clarke, Miramar; Daniel Bartola, Halfmoon Bay; O'Torre, Moss Beach.

Louis Barrish of Redwood City was granted a license to peddle in the county, on motion of MacBain seconded by Francis.

The auditor's report showing the aggregate amount of allowances that can be made against the several districts, was received and ordered filed.

A communication was received from F. E. Hamlin of Farallone asking the board to take some action toward appointing a poundmaster for his district and recommending A. E. Cline for the position. On motion of Francis, seconded by Brown Cline was appointed to fill the job.

Supervisor Francis addressed the board in reference to granting relief to certain residents at Farallone, whose homes on the west side of the Ocean Shore Railroad had been shut off from the county highway by the building of the said railroad. On motion of Francis seconded by Hickey, County Surveyor J. V. Neuman was directed to search the records and ascertain the railroad and county's rights of way at Farallone, and if it is found that the railroad has taken a part of the county road then the district attorney shall take the necessary action to begin suit.

District Attorney Swart appeared before the board in the matter of the application for a renewal of the liquor license of Fred Walthers, proprietor of the Valley Inn at Portola. Swart stated that he had several protests from persons against the granting of the license on account of the manner, as they claimed, in which the saloon is being conducted. At the district attorney's suggestion, and on motion of MacBain seconded by Hickey, Clerk Nash was directed to notify Walthers that his liquor license had run out and that if he wished a renewal he should appear at the next meeting of the board.

Philip Forneron of Pedro Valley, was granted a class A liquor license on motion of Hickey and Thompson, he having complied with the county ordinance and furnished the required bond.

Report of Miss Anne Bell Bailey, county librarian, showing expenditures of $280.45 for the month of April, was received and ordered filed.

Two claims presented by William Gorman to the amount of $20 each and being for arrests and convictions made under the fish and game laws, were rejected by Francis. The payment of the above claims falls upon the State Fish and Game Commission and not upon the county.

Plans and specifications presented for the painting of window sashes and doors on the outside of the court house were adopted, on motion of MacBain seconded by Hickey, and the clerk was directed to advertise for bids, the same to be opened at the meeting of June 4th.

The regular monthly allowance of claims was ordered made, on motion of Hickey seconded by MacBain.

The board adjourned at 12:30 p. m. to Monday, May 21, at 10 a. m.

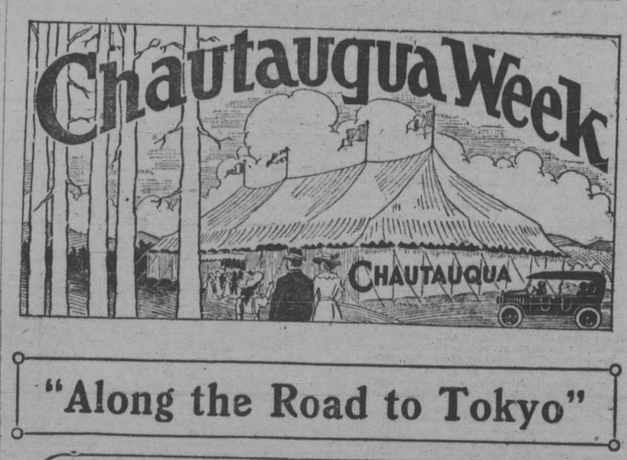
Comic Opera at Chautauqua

Boston Company of Twenty-four People With Special Orchestra to Appear In "Chimes of Normandie"

IN offering "The Chimes of Normandie," that prime favorite among the comic operas, to Chautauqua patrons the Ellison-White System has established a new precedent in operatic productions for Chautauquas in the West.

Operatic music has been in high favor in Lyceum and Chautauqua circles for several years. There have been condensations of familiar operas, given with small casts and few accessories, cuttings from operas, giving only particular scenes, and a host of individual and ensemble numbers from that wealthy field of music. Now comes a noteworthy effort to bring to the Chautauqua platform a full and complete production of one of the most popular comic operas ever produced, "The Chimes of Normandie." Not only is the cast large and competent, but the scenic and costume investure, as well as the special orchestra, are all exceptional.

The Boston Chimes of Normandie Company of singers, direction Ellison-White System, were specially selected and coached for this production by Mr. George V. C. Lord, the Boston art and dramatic critic. Costumes are by Wolff Fording of Boston, scenery by Martz, noted scenic artist of the Hub. This is a premier musical production of the first rank—as rich in plot and comedy as in melody.

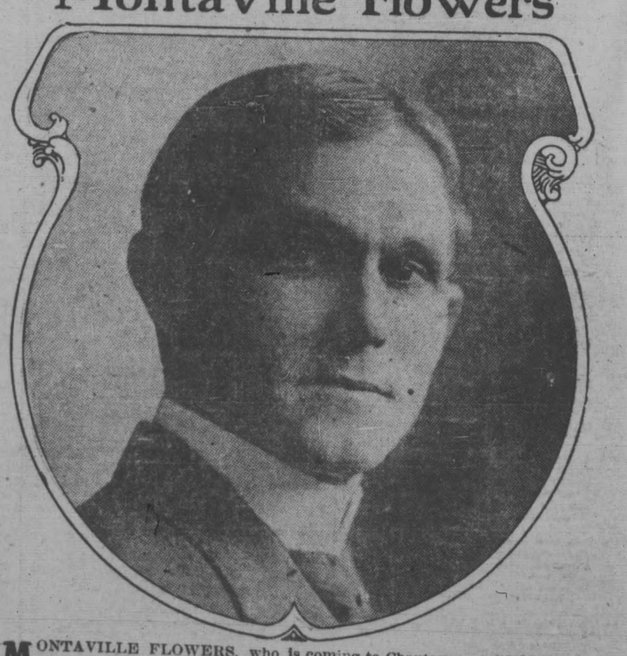


"Along the Road to Tokyo"

THE Ongawa Company in "Along the Road to Tokyo" present at Chautauqua a kaleidoscopic view of old Japan. The work of these Japanese artists has the finesse of animated art prints, quaintly knit together in a love story fantasy, accompanied by the lullaby croons and chants of the quaint native music, of Geisha girl and butterfly dances. The play is in characteristic musical setting, given with costuming and scenery of special importation.

Mr. Ongawa is the descendant of the famous Samurais of Japan.

Montaville Flowers



MONTAVILLE FLOWERS, who is coming to Chautauqua with his great lecture, "Guarding the Golden Gate," has won a distinctive place on the American platform. He is a speaker of dynamic power, a man of brilliant mind and breadth of vision.

His lecture has been delivered in practically every large city in the United States and has attracted country wide attention. It is a masterly discussion of the Japanese problem in America; its rise, meaning, trend and present status. It is a portentous question, involving American destiny, and Flowers, with first hand knowledge of all the conditions, treats it in a broad, statesmanlike manner.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Miss Elsa and Sidney Maar of Oakland spent the weekend with Miss Luella and Louis Behrens.

The trustees' institute will be in session today. About fifty trustees from the various districts of the county will be present.

Anyone returning a copy of the Times-Gazette of date of March 17, 1917 will receive 25 cents. We want the missing copy for our files.

Richard Hellman is here from Arizona on a visit to his parents, Mr. and Mrs. A .Hellman of Kellogg avenue. Mr. Hellman is engaged in the real estate business in that state.

P. B. Roberts has purchased the interest of Joseph Dupret in the Art Cleaning and Dyeing works on Main street. Mr. Roberts has been a partner in the concern for several months.

Dennis Daley, the grand army veteran, was stricken with paralysis in this city last Saturday. He was rushed to the Redwood City Hospital where he is resting comfortably. Hopes are entertained for his recovery.

Assessor D. P. Flynn and Mrs. Flynn departed yesterday for Oakland to attend the funeral today of Mr. Flynn's cousin, Mrs. Kate Weber, an old resident o fthat place. She formerly resided in Redwood City and is quite well known here.

L. P. Behrens is at Sacramento this week attending state bankers' association. He will not return home until Monday. While at the capital he will call upon the governor, with whom he is intimately acquainted.

Gordon Seely, who suffered an attack of appendicitis last week luckily escaped undergoing an operation. He has returned to his studies and will graduate with his class at the high school next month. He is a hard worker and deserves success.

J. F. Utter of San Francisco and formerly superintendent of schools of San Mateo county has purchased 195 acres in the Orchard and Farm Land Colony subdivision near Arundel station from H. S. Schaffer for $30,000, which will be devoted to alfalfa and almond raising.

P. P. Chamberlain, the popular county treasurer, will return this afternoon from Long Beach, where he has been attending the annual convention of the Grand Army of the Republic. Mr. Chamberlain has attended these sessions of the old veterans fo rthe past twenty-five years.

Roy Woodhams, son of C. H Woodhams, graduated during the week from the medical department of the state university. Mr. Woodhams will soon be married and after a short honeymoon he will sail for South Africa where he will become a medical missionary. He is a young man of ability and is certain to make his mark in his chosen profession.

D. Stokes O'Callaghan, returned from an extended trip through Amador county. He found all the mines in that county working full capacity. Old properties that have not been worked in many years are being opened up and developed by San Francisco capitalists. There is a big demand ofr mining properties in that county. Mr. O'Callaghan found that section of the state very prosperous. Farmers have plenty of money and everyone appeared to be prosperous.

Mr. Bollinger, the San Jose capitalist and politician, who has the Sweeney ranch near town under cultivation of wheat, has a bumper crop this year which, when harvested, will net him $25,000. The land has been for some years planted in onions, celery and other vegetables so that the soil has been greatly enritched. Without doubt the wheat crop is the best ever seen in this section of the state.

Earl Eikerenkotter arrived in San Francisco from the Orient on the transport Sheridan the fore part of the week and is spending some time with his parents here. The Sheridan leaves for the return trip on June 5. Mr. Eikerenkotter will be married a few days before that time to Miss Gertrude Whipple ,a pretty San Rafael girl. The bride will not accompany her husband on this trip, but may do so on another voyage.

Norman MacKenzie, young son of Mr. and Mrs. Donald MacKenzie of this city, was graduated yesterday from the College of Physicians and Surgeons of San Francisco as a dental surgeon. Young MacKenzie says he will now become a politician as he will have to occasionally take the stump. He is thinking seriously of enlisting in the army to become a dental surgeon in a medical corps. The government is seeking young men for that duty. Should he enlist he would be made a first lieutenant.

All the freight from Shasta and points north now comes over the Dumbarton bridge to San Francisco instead of crossing the ferries at Oakland. Some time ago the government condemned the ferry slips and the Southern Pacific Company concluded it was cheaper to send the freight trains over Dumbarton bridge than to repair or build new slips. Double the amount of freight goes over the Dumbarton cut off than was formerly hauled over it. This entails more work for the local agent and in a short time he will have a big corps of assistants.

WILL OF MRS. MOULTON FILED

Mrs. Phyllis Moulton Merrill, through her attorney, E. F. Fitzpatrick, has filed the last will and testament of Nellie P. Moulton, her mother, who died last week at Menlo Park. The will was executed at Redwood City on October 26, 1916 and the subscribing witnesses were A. Kincaid and Gertrude L. Geary. By the terms of the instrument Phyllis Moulton Merrill is named as executrix and Charles H. Merrill and L. P. Behrens are named as executors. They are to serve without bonds. William Pierce, a son by a former husband, is bequeathed the sum of $1,000 and his brother, Lewis Pierce, is given a like sum. The jewelry, wearing appearal, household furniture is left to Mrs. Phyllis Merrill. She is also given all the property given to Mrs. Moulton by her husband, Frank F. Moulton. L. P. Behrens, Phyllis Merrill and her husband, Charles H. Merrill, are left $30,000 in trust to invest and the income is to be given semi-annually to her husband, Frank F. Moulton, during his life . At his death the income is to go to the children of Mrs. Merrill. When they arrive at the age of majority they are to receive the trust fund in equal shares. Mr. Moulton and Mrs. Merrill and family are to receive a monthly allowance of $400 from the estate until it is distributed. The residue of the estate is bequeathed to Phyllis M. Merrill. The executrix and executors have applied for letters testamentary. The petition does not state the value of the big estate except that it exceeds the sum of $10,000. The property of the estate is worth probably over a quarter of a million dollars.

THOS. TUITE BUYS ON MAIN ST.

Thomas Tuite, butcher, recently purchased the Pringle block on Main street from the Newell-Murdock Realty Company of San Francisco, who some few months ago bought the property from E. J. Pringle paying the sum of $25,000 for the choice realty. The property has a frontage of 105 feet and has five commodious stores which are always rented. It is not known what was paid for the realty but Mr. Tuite says he paid a fancy figure for it. Mr .Tuite will shortly begin to improve it by erecting a better class of buildings. The Pringle block was formerly owned by the Mezes estate which sold it to Mr. Pringle, who has held it for a great many years. It is one of the choicest pieces of property in Redwood City. Mr. Tuite hsa been engaged in the butcher business in this city for the past twelve years and has been very successful. He is a hard worker and deserves the success which has come to him.

ALL QUIET AT MAGNESIA WORKS

The threatened strike at the National Magnesia Works, south of town, has been settled and the men have gone back to work. The men, some 24 in number, laid off on Tuesday and had a talk with the president of the company, Mr. Miller of San Francisco, and after a lengthy conference the company agreed to pay the employes $3 a day for eight and a half hours work. The men wanted an eight hour day and $3. The employes accepted the compromise and now all is serene at the works. The ring leader of the men, James Cocks, who had been employed for fifteen months at the plant, was summarily dismissed. There are about fifty men employed at the works. The higher paid men did not go out on the strike.

Frank A. Thude, charged with hitting A. Klopholz of Daly City on April 17, plead guilty in the superior court on Thursday. Thude will be sentenced on Monday next at 1:30 o'clock.

NORMAN McKEE PASSES EXAM.

Norman McKee, the young son of Doctor and Mrs. McKee of Woodside, has passed his mental examination for entrance to the naval academy at Annapolis with flying colors. The news of his success was telegarphed to Doctor McKee yesterday by Congressman E. A. Hayes, who last summer selected Young McKee to represent the Eighth District at the academy. Norman at once began his preliminary studies and has worked hard ever since. He took the examination in San Francisco some time ago. He received a big percentage in the examination, more than that received by the average applicant. He will appear at the academy shortly to take the physical examination which he will pass without any doubt. He was attending the local high school where he had made a record as a proficient student when Mr. Hayes selected him. Young McKee's friends in the county predicted at that time that he would pass the examination and secure his entrance to the naval academy. He is a bright boy, ambitious, courageous and is certain to make his mark in the navy.
